

LIFE'S LIKE THAT

By FRED NEHER

"He said, you can't lick 'em... join 'em!"

PROSPECTIVE OFFICER . . . William Marshall Brown, 22, son of Mr. and Mrs. Percy Brown of 5013 Marion St., receives a send-off by his parents at the Los Angeles airport. Brown was selected by the Air Force to attend officers Training School at Lackland AFB, Texas. On completion of a 12 week course he will be commissioned a Second Lieutenant. Brown graduated from California Polytechnical College with a degree in journalism.

Bawolski Receives New Post

Robert L. Bawolski, of 4709 Merrill St., has been named manager of Bank of America's La Brea-Adams branch in Los Angeles.

He began his banking career in 1942 at the Inglewood branch and has served also at the National City and Rimpau-Washington offices.

He and his wife, Kathleen, are both active in St. James' Catholic Church. He is a member of the Holy Name Society and Mrs. Bawolski is active in the Women's Council.

Committee Sets Check on STRS

Ben N. Scott of Harbor City will serve on a four-man committee to investigate accounting deficiencies in the State Teachers Retirement System (STRS).

Dorman L. Commons, named to head the committee, said, "There are no implications of malfeasance, but the accounting system is so far behind that the fund is not in position to fulfill its responsibilities quickly."

State to Share Street Expense

Portions of Figueroa Street in the Carson area from Lomita Boulevard to 190th Street will be improved under terms of an agreement with the State Department of Public Works and the Board of Supervisors.

Supervisor Burton W. Chace said the agreement provides that the county will make the necessary improvements. The state will then compensate the county a total of \$20,000.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all—this improvement was maintained in cases where a doctor's observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing state-

ments as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing. All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body. This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
